February Lessons

Week 1 – MONSTER TRUCK WEEK! That's right! Since our new t-shirts will be monster busses, so will our week! We'll race, jump, spin and pop wheelies!

Week 2 – Dino-nastics week! We get to play around as different dinosaurs and do triceratops-tripods, and navigate the jungle-gym as different types of dinos.

Week 3 – Yoga week: We will go over poses, stretches, animal sounds, relax, and we'll even sneak some gymnastics in!

Week 4 – Friendship week: Time for some social development gymnastics style! We'll be doing gymnastics skills with partners where we both help and depend on each other!

Lesson discrepancy: I'm happy to hear that parents have been reading our lesson plan schedule and newsletters; but now I must explain why we don't follow the schedule too closely. Our program is operated with 3 teachers driving 3 busses on 3 routes. Each bus holds one lesson for 3 weeks and the teachers switch busses at the end of every week. Our schedule reflects the lessons that are going on around the time of the month. Lessons are subject to change by whim of the teachers as each lesson is made here in Boise by our teachers and are influenced by what the children ask for.

Parents, Teachers, and Directors:

If any family experiences a layoff and is unable to continue at their childcare center (and the center approves of this) but wants to continue our gymnastics program, their rates will be discounted 50% until the parents have a new job or can enroll in the center again.
